May Newsletter Hello from the Hive

Hello IA Families,

We are so thankful to our families and students for the contribution to the West Orange Dream Center. We announced the winner on Friday April 28th, as the students were quite eager to know which class had won! The final results were too close to call and a decision was made to have a school-wide popsicle party, which was well received by all. The Popsicle party will be this Wednesday May 3rd during school.

The Family Empowerment Session “How to Navigate Step Up for Students” is still on hold. We have been in contact with Step Up and they are still in the process of launching their new platform called the Education Market Assistant or EMA. Families that are currently enrolled will receive an email from Step Up titled “Intent to Continue”. The link that is received by each family could be for either the old or new platform. Once Step Up is confident in the new platform they will make the new EMA platform available to all families. As soon as we know that either platform is available, we will be in contact by email, dry erase board and on Remind to reschedule the Family Empowerment Session. If school is out, we will hold the session live on Zoom and if need be, schedule individual appointments to ensure our families feel confident in completing the process. If you have ANY questions, please send an email to illuminations_office@illuminationsacademy.org.

For the 2023-2024 school year we will be implementing a new school-wide system called Praxi School. More information will be sent out in the next few weeks.
