Welcome Illuminations Academy Families

We are so excited to welcome back our amazing students and their families and to welcome new families to our hive! We had a great first 2 weeks and are looking forward to a year full of creativity, learning and fun!!

Step Up Scholarship

Beginning September 1st, if your child is receiving a Step Up (FES-UA or FES-EO) Scholarship please remember to sign in to your Step Up account on the 1st and 15th of every month to approve your invoice. If you have any questions, please contact Ms. Karla at finance@iamcy.org

New Data & Communications System - Praxi School

For the 2023-2024 school year, we have acquired licensing to a school-wide system called Praxi School. As the school year progresses, this platform will allow us to deliver grades, attendance and data to our families from the parent portal connected to your child(ren). Many of you have already used this system to complete registration for the 2023-2024 school year. By September 1st, each household will receive access to their parent portal. Siblings will be connected in a parent portal, and blended families with more than one household will receive separate login access for each parent connected in the registration.

**Thank
you!**
